I am not resubmitting the [REDACTED] You approved it -- with a "requested" change, not any "required" changes. I accepted the "requested" change in a phone call with [REDACTED] (b)(3) CIAAct

What I want is a letter telling me that the [REDACTED] -- the one you saw -- is cleared for publication but that you are "requesting" that I make one change. I will then respond to you in writing that I have done so.

We can send you a letter regarding your [REDACTED] on the official letterhead, but in order for us to approve something formally, we need to be able to verify that the change has been made. In that case, we ask that you resubmit the [REDACTED] so that we can make sure the change has been made.

The other option is a letter that refers to previous correspondence and puts the responsibility on you to make the changes indicated in that correspondence.

Please let us know how you wish to proceed.

Thank you,
